

full day our minds were clear and we faced the issue and we debated well and the bill went on its way. I think that we should continue the bill as it is going, and not take Senator Goodrich's tactic of delay and destruction.

PRESIDENT: Any further discussion now of the motion to bracket 217 on Select File? Any further discussion? Alright Senator Goodrich is closing on his motion then to advance...to bracket LB217.

SENATOR GOODRICH: I only have one thing to say. If something is good today it is a good from a week today. If it is good a week from today then you can make the final decision on it. I see no reason for not delaying the consideration of the advancing this bill for a week. I would ask that you vote to bracket it for a week.

PRESIDENT: Alright before we move on the consideration of the motion, the Chair is going to rule that to bind the body on an action like this, to bracket the bill it is going to take 25 votes and the Chair realizes that there is not a specific rule to cover this instance in the rules so now the question is shall 217 be bracketed for one week. All those in favor of bracketing the bill for one week will vote aye those opposed will vote no. Motion is to bracket 217 for a week on Select File. Have you all voted? Clerk will record.

CLERK: 9 ayes, 21 nays Mr. President.
